Adam Makkai, J. E. Gates, Maxine Tull Boatner : A Dictionary of American Idioms before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of American Idioms:

3 of 3 people found the following review helpful. Missed pages!!!By BabakAfter one month i suddenly noticed that this book misses 20 pages! It's crazy! Now the return policy is expired and i have a dictionoru that does not have a part, 20 pages!!! I found a small piece of paper in the middle of that that shows me this book has been returned one

time and the seller knew that this book misses 20 pages!!!!!! 3 of 3 people found the following review helpful. Excellent Reference
By Ohioan I have an earlier edition of this book and I've used it so much that the cover is bent and the pages yellowed. I find this a very good reference work when I need to know what an idiom means. One of the best features of the book is that after each definition of an idiom, the idiom is used in a sentence. This really helps one understand the meaning of the phrase. While I like this book, I don't feel it's as good as the idiom dictionary published by Houghton: that one lists a date of origin for each idiom.

By Shukri Abdulahi This is an amazing book that covers a wide variety of phrases mostly idioms that we encounter in our day to day interaction. I especially recommend it for foreigners who speak English as a second language

More than 8,000 idiomatic words and phrases specific to American-style English are presented in this updated A-to-Z dictionary, complete with definitions and sample sentences. Especially useful for TOEFL test-takers and other students in America for whom English is a second language, this book explains and clarifies many of the similes and metaphors that newcomers to American English find mystifying. It is also useful to native-born Americans who are sometimes confused by regional colloquialisms encountered in reading or on TV. Idioms undergo constant change in every living language, some of them falling out of use, while new words and phrases become part of the standard vocabulary. This dictionary's new fourth edition takes account of the latest idiomatic changes and provides a solid background to informal American English.

From the Back Cover [back cover] More than 8,000 idiomatic words and phrases specific to American-style English are presented in the new, fourth edition of this A-to-Z dictionary. Definitions and sample sentences are given with each entry. Especially useful for TOEFL test-takers and other students for whom English is a second language, this book explains and clarifies many of the similes and metaphors that newcomers to American English find mystifying. It is also useful to native-born Americans who are sometimes confused by regionalisms encountered in reading or on TV. Idioms undergo constant change in every living language, some falling out of use while new words and phrases become part of the standard vocabulary. This new edition takes account of the latest idiomatic changes and presents a solid background to informal American English.
