**From OUP Australia and New Zealand : A Dictionary of Modern New Zealand Slang** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Dictionary of Modern New Zealand Slang:

"A Dictionary of Modern New Zealand Slang" is a humorous yet authoritative look at the language New Zealanders use informally. Informative and amusing, it provides a unique insight into New Zealand life and culture.

About the Author Harry Orsman is at Victoria University of Wellington.
