From Oxford University Press : A Dictionary of Synonyms and Antonyms (Oxford Quick Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of Synonyms and Antonyms (Oxford Quick Reference):

The Dictionary of Synonyms and Antonyms provides an easy-to-use source of over 150,000 alternative and opposite workds to improve your word-powerand communication skills, and make your use of English more interesting and

original. For each entry, synonyms are listed alphabetically, and antonyms are placed at the end of entries where appropriate. There are examples to show how words of less obvious sense are used, and markers such as "informal," "derogatory," and "obsolete," highlight the usage style. There is also extensive cross-referencing to other entries for extended lists of synonyms and to related words to broaden your knowledge. A section on Lexicon of Hard Words, with interesting and unusual words as diverse as erubescence (blushing) and jumbal (sweet crisp cake), will provide fascinating and useful additions to anyone's vocabulary.

"In its new paperback edition the Oxford Dictionary of Synonyms and Antonyms is sufficiently small and lightweight to fit easily into a briefcase or bag--which makes it ideal for the writer on the move who wants to have a word finder with them as they travel but doesn't want to be encumbered with a full-blown thesaurus." Writing Magazine
About the Author Alan Spooner has compiled several thesauruses for Oxford University Press.
