**David Day : A Dictionary of Tolkien** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of Tolkien:

2 of 2 people found the following review helpful. My husband loves this. Though there's no plot as ...By CustomerMy husband loves this. Though there's no plot as it's a dictionary, his nerdy self has learned so many things he never knew!1 of 1 people found the following review helpful. Great for the Tolkien addict!By Longfellow MarquezMy daughter loves all things Tolkien, and I didn't think there was any trivia left that she didn't know, but this book has

provided her with new information to add to her already-sizable repertoire. Would definitely buy again. 1 of 1 people found the following review helpful. Nice Addition to a Tolkien Collection By Mithrilmoon Is missing some entries from the Silmarillion and the appendices but still a very nice little book for the Tolkien lover.

J.R.R. Tolkien is the father of modern fantasy. He created characters and a world so rich with details and so unique that it warranted a whole new vocabulary along with it. His creation of language is not surprising, considering his first civilian job following his service during World War I was working on the Oxford English Dictionary. Inside, you'll find a chronology of Tolkien's life, along with a short biography and an explanation of his writings. Then flip through the dictionary to discover terms like Aglarond, the great caverns beneath Helms Deep, or the Black Riders and the mystery surrounding them among many other terms. This companion serves as a terrific resource for all those in love with Middle Earth and its inhabitants. Luxurious rich brown flexibound cover. Perfect for Tolkien fans, linguists, or anyone prone to fantasy. Tolkien: A Dictionary is a beautiful addition to any home library, and makes a great conversation piece. This work is unofficial and is not authorized by the Tolkien Estate or HarperCollins Publishers.

About the Author David Day is the author of five major books on the world of J.R.R. Tolkien, including Guide to Tolkien's World: A Bestiary and A Guide to Tolkien. Together with Tolkien: The Illustrated Encyclopedia, these books have been translated into 16 languages, and have sold in excess of two million copies. A Canadian living in Toronto, Day has also published over thirty other books of mythology, history, fantasy, fiction, and poetry, for both adults and children.
