**Fred Kogos : A Dictionary Of Yiddish Slang Idioms by Fred Kogos (2000-06-01)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Dictionary Of Yiddish Slang Idioms by Fred Kogos (2000-06-01):

5 of 5 people found the following review helpful. Yiddish Slang idioms you need to communicate in a modern worldBy Janet GallinFabulous. Yiddish slang has made its way into English. You don't want to be left behind at a sophisticated dinner party, do you? And, Yiddish is SO much fun. A very powerful language when you need a good curse, an expression of hope, a blurt of disgust, blatant love and devotion and the top 6 phrases for dealing with a dope. A wonderful reference book as necessary as the OED.1 of 1 people found the following review helpful. Nice, old-time primer for folks with scant familiarityBy Stu S.167 pages, Yiddish-to-English then English-to-Yiddish of words phrases. The Yiddish is transliterated into English. A nice piece of history (originally published 51 years ago!) still useful. You won't need this if you have any command, but if you really weren't schooled want to get a little taste, this may grab your interest.7 of 7 people found the following review helpful. If you are not Jewish but have a special someone who is you need this Book.By scrchicagoI have wonderful friends who are Jewish and say Yiddish slang all the time. I hated to constantly be asking what a word meant. I went to Border Books and asked for a Yiddish dictionary and they brought out a 20 pound book. I then asked for a book of Yiddish Slang and they ordered this book for me. The book became so popular at our home that I bought a bunch of copies on and give them to friends. Now I ask "how do you spell that word".

New copy. Fast shipping. Will be shipped from US.
