Roger W. Burdette : A Guide Book of Peace Dollars before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Guide Book of Peace Dollars:

1 of 1 people found the following review helpful. A Great Guide To the Peace Dollar By Jeff Pittman A really comprehensive guide to Peace Dollars. Well researched, interesting for those interested in Peace Dollars, and I would purchase for anyone who is particularly interested in collecting Peace Dollars. The errors section is particularly

interesting.0 of 0 people found the following review helpful. PeaceBy CustomerI read this book to gain more information about the Peace Silver Dollar. The book was very informative and had the information that I was looking for. This book I would recommend to anyone who is starting to collect this silver dollar.0 of 0 people found the following review helpful. Useful, but only has common information concerning the peace ...By Lyle G Van Lew, SrUseful, but only has common information concerning the peace dollars. One of these days someone will come up with a very useful compilation of VAM and ERRORS of this series to really be useful to the novice collector as well as the more experienced.

The silver Peace dollar issued from 1921 through 1935 was a coin that commemorated the end of the most traumatic war in human history. In the Guide Book of Peace Dollars, award-winning author Roger W. Burdette explores these fascinating and collectible coins, covering every date and mintmark of America's last 90% silver dollar. He also studies the mysterious 1964-D Peace dollar, as well as Proofs, patterns, trial pieces, errors and misstrikes, countermarks, die varieties, and famous collections. Burdette explores the origins and history of the Peace dollar (including the American Numismatic Association's involvement), early designs and casts, the coin's production process, ways to collect, preservation, the market effect of hoards and meltings, and unusual examples. Other features include a coin-by-coin analysis with market values and certified population data, biographies of key participants in the Peace dollar's story, Van Allen Mallis numbers, a bibliography, and more. The classic Peace dollar evokes the end of the Great War, the celebrations of the Roaring Twenties, fancy cars and flappers, Great Gatsby style riches, and the dramatic stock-market crash of 1929. Roger Burdette has captured the romance of these large silver coins, including the mysterious 1964, and shows you how to form a valuable, high-quality collection. Q. David Bowers
