Rodney A. Voelker : A Guide to Civilian Jobs for Enlisted Naval Personnel before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Guide to Civilian Jobs for Enlisted Naval Personnel:

2 of 2 people found the following review helpful. Essential for Enlisted Naval Personnel By F. Lee This is a great book for those of us who leave the enlisted Navy for a job in the civilian world. It has hundreds of possible resume bullets that translate what you've done in military into what you can do in civilian. I found this book extremely valuable when trying to communicate what I had done in the Navy to my prospective employer.
