Mary-Jo Kline, Susan Holbrook Perdue : A Guide to Documentary Editing before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to Documentary Editing:

0 of 0 people found the following review helpful. A Guide to Documentary EditingBy R. ThompsonI haven't been able

to get into the editing as yet. I'm producing a book on my own genealogy and needed to know how it is done but this book, while very knowledgeable is difficult to understand. My problem not theirs. But I'm working on trying to get my book easily understood. Documentary Editing is a little above my audience. I like to KISS.2 of 2 people found the following review helpful. The uncontested authorityBy gentle readerThis is where you start if you're planning to put documents on the web, work on a documentary project, or do something with the diary you found in the attic. It's all you need to know in one place, authoritative without being authoritarian.0 of 4 people found the following review helpful. My mistake?By GiulianoWell, I thought this was a book about editing documentary videos...Off course I was wrong...It's about documents, and another paper stuff...Not even read the book, after all...

For more than twenty years, *A Guide to Documentary Editing* has proven an invaluable tool for scholarly editors, editors-in-training, readers of documentary editions, and other students of American history and literature. This new, extensively revised edition of the Guide arrives in the midst of great change in the field. In addition to exploring fully the increasingly central role electronic technology plays in the editing process, this edition provides the most current treatment of the crafts fundamental issues. These include locating and collecting sources, transcribing source texts, conventions of textual treatment, dealing with nontextual elements, and preparing editions for publishers. The documentary-editing environment is more vibrant than ever, and the authors draw on this wealth of activity to include numerous examples of the Guides principles in practice.The most innovative aspect of this latest edition of the Guide is a new digital component. Users may access the entire contents online through a dedicated Web site. In addition to offering the convenience of easy online access, this Web edition will include hyperlinks to relevant literature and will act as an archive for material from earlier editions. Most important, it will be periodically revised and updated, to ensure a Guide that is always current with best practice. The online edition is available at <http://gde.upress.virginia.edu>.Each edition of the Guide has become the standard text for scholarly editors, whether their focus is correspondence, journals, diaries, financial records, professional papers, or unpublished manuscripts. This print/digital edition presents this essential guide in its most dynamic and useful form yet. Published in association with the Association for Documentary Editing

"The first book of its kind... strongly recommended for all academic and research libraries." (College and Research Libraries News)"The Guide provides the editing profession with an intellectual headquarters and fulcrum; it will be quoted and discussed for many years to come." (Louis Waddell *Journal of American History*) "I recommend this book to anyone who is curious about the work of documentary editors, thinking about initiating a documentary editing project, or using or thinking of using the fruits of documentary projects. It is a detailed, basic, generally descriptive but sometimes prescriptive how-to guide for the preparation of historical and literary manuscripts." (Isis)About the AuthorMary-Jo Kline, author of the two previous editions of *A Guide to Documentary Editing*, has served as Associate Editor of *The Papers of John Jay* and *The Papers of John Adams* and Editor of *The Papers of Aaron Burr*. Susan H. Perdue has served as a research assistant at *The Papers of James Madison*, Associate Editor at *The Papers of John Marshall*, and is currently Senior Associate Editor at *The Papers of Thomas Jefferson: Retirement Series*.
