**From Brand: Black Dog Publishing : A Guide to London's Classic Cafes and Fish and Chip Shops** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to London's Classic Cafes and Fish and Chip Shops:

1 of 1 people found the following review helpful. Charming and helpfulBy Donna ThomasQuite a charming and helpful little book. A good overview of (and education in) London's traditional English food, plus very nice photos. Not outdated yet, as our family has looked up many of these locations online, and those we viewed were all present and as described.2 of 2 people found the following review helpful. Charming!By A voracious readerI've been to London seven times over the years and this book is a perfect example of what I love about that city. The photos convey a very cozy ambiance for each caf shop and they make me want to rush right back to London. The write-up about each place is also very informative, in the best sense of the word (the author doesn't just provide pertinent information; he also writes in a very "inviting" style). I love this little book!

A Guide to Londons Classic Cafes and Fish Chips Shops provides London locals and tourists alike with an alternative culinary tour of the capitals traditional, retro and more understated food scene. Taking a detailed look at the citys classic cafes and fish chips shopsfrom the food and drink served to the dcor and style maintained by these particularly

British eateries A Guide to Londons Classic Cafes and Fish Chips Shops touches on the cultural history of the places featured, as well as providing an up-to-date overview of Londons best and most loved cafes and chippies. With more than 50 establishments covered, A Guide to Londons Classic Cafes and Fish Chips Shops is an essential reference for anyone interested in the capital's traditional and 'classic' food culture.

'The short descriptions will only whet your appetite to pay a visit and get to know the owners.' The Londonist 'This book covers not only the food served at these noteworthy spots, but also the drinks, decor and cultural histories that make each cafe unique.' Easy Food 'For lovers of So British addresses, nostalgic of the t0ies atmosphere, simple yet delicious food, first-class fish n' chips with a classic or more modern decor.' Tea Time in Wonderland magazine
