She loves it! the variety of locations and details are wonderful.0 of 2 people found the following review helpful. Nice but.....By Kindle CustomerWhile the designs and drawings ate wonderful, I just that people and companies publishing coloring books would that two page drawings and designs ware impossible to display and that printing on both sides of page severely limits the choices of coloring media and also makes it harfd ton display.

Beautiful Cities Coloring BookRand McNally's travel experts selected more than 60 of the world's greatest metropolises from Buenos Aires to Paris to Marrakech to feature in the Beautiful Cities collection. The sophisticated,

ready-to-color illustrations include lively street scenes, whimsical maps, culture-inspired patterns, and architectural icons that will nurture meditative coloring on a creative journey around the globe. Intricate artwork that's easy to make and enjoy. More than 60 sophisticated urban scenes to color, including 15 extra-wide illustrations. High-quality heavy paper reduces marker bleed-through. A great way to unleash creativity, reduce stress, and escape from the digital world.
