Intermediate, less challenging than Dan Coates Advanced Solos. That's a good thing for most of us piano music lovers out there with limited time to practice. It's nice to sit down and play something immediately. The music has no finger suggestions, no lyrics, but does have chord notations. Thick book so will not lie flat, I always have my larger books rebound at a printing shop. This book was originally published in 1997 so is probably now out of print. Here is the complete list of 44 songs: *Ain't Misbehavin' * Always And Forever * Angel * Arthur's Theme (Best That You Can Do) * Batman Theme * Besame Mucho * Chattanooga Choo Choo * Desperado * Exhale (Shoop Shoop) * For Your Love * From A Distance * Georgia On My Mind * Glory Of Love (Theme from The Karate Kid Part III) * Goldfinger * I Can Love You Like That * I Cross My Heart * (Everything I Do) I Do It For You * I Will Always Love You * In Your Eyes * The Keeper Of The Stars * Killing Me Softly With His Song * Love And Marriage * Love Theme From St. Elmo's Fire (Instrumental) * Miss You Like Crazy * Mood Indigo * More Than Words * On Green Dolphin Street * Open Arms * Over The Rainbow * Overjoyed * Peter Gunn * Raindrops Keep Fallin' On My Head * Saving All My Love For You * Song From M*A*S*H * Tara Theme (Gone With The Wind) * Theme From Dynasty * This Is It! * Thriller * Tomorrow * The Way He Makes Me Feel * The Windmills Of Your Mind * You Are Not Alone

By Michael Best
At first I thought that this book would be just like the other hundreds of music books like it but it isn't. The book contains songs everybody will know and love. The songs are arranged in a way that makes them easy to sight read, wonderful to listen to (according to those who have heard me play them) and yet interesting to work on and perfect. They are arranged in such a way that they are clear for sight reading. The songs are not really easy to play properly so I wouldn't recommend it to beginners. This book is a treasure for the advanced pianist and wonderful to impress your friends with.
I can guarantee you won't regret buying it
